**Planning Sheet for Student Practicum II (PSY 476)**

Student's name Thanh Tran

Organization LCC

Supervisor's name Scott White

I. List 5-6 goals that you have for participating in this practicum experience.  
(Several examples of goals are listed that all students may want to work toward.)

1. Apply and strengthen technical knowledge and practical skills developed through coursework at LCC International University/Other School/University.
2. To develop the practical abilities to work with people and (at the same time) respond effectively to the needs of an organization.
3. Enhance my oral and written communication skills.
4. Adjust and function well within a professional network within the chosen (social/ psychological services or other) agency.
5. Honing the ability to connect with people with different personalities and building trust.
6. Networking :D
7. Build something cool for the special project.
8. Work on the way I phrase my idea, especially in stressful situations (e.g. when I talk to more than 1 person-group)
9. learn chemistry from Michelle
10. learn, learn, learn!!

II. For the above objectives, list concrete plans for the activities you might be a part of, and describe the practical work options you might choose to enhance your chances of achieving the objectives. Also think of possible special project objectives:

1. I want to build a website for the department, or create a program for cognition class. Have to work on establishing the idea.
2. listening skills.
3. Be careful with my thoughts.
4. Compromise but having boundaries at the same time.
5. Actually causes me loss of stress to deal with people, but enjoy putting myself in a stressful situation to grow. everytime after interaction with people, i try to think what could have been done better.
6. interacting & getting to know people.
7. All of my neurons go to retrieving natural sciences & cognitive science to help students with exam preparation & papers.
8. I will hold a workshop, which hopefully more than 1 student will attend. A great chance to practice.
9. I insist on meeting with her.
10. This, i don't know.
